

# OUR NEW 'EASY PASS' PROGRAM

'EASY PASS' is Honors' frequent player program. If you're taking our beginner or advanced beginner courses, or if you prefer social bridge to duplicate bridge, you might want to check this out, especially if you find that you'll be wanting to play two or more times a week.

'EASY PASS' saves you \$20 every time you play or take a lesson from one of the programs below:

1. All \$25 social bridge sessions become \$5.
2. Our three \$25 novice games become \$5.
3. Our three Advanced Beginner Series classes become \$15 rather than \$35.
4. And our Friday night wine & cheese seminars are \$10 rather than \$30.

All this when you become a monthly 'EASY PASS' card holder.  
EASY PASS will cost you only \$120 per month.

**Pick up your 'EASY PASS' card in the office the next time you're at the club.**
